

**Court of Appeals, State of Michigan**

**ORDER**

**Tyrone Anthony Bell v Department of Corrections**

Docket No.   **353020**

LC No.       **00-000000**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction. Appellant claims an appeal from an October 23, 2019 decision of a Department of Corrections hearing officer, but such a decision is not directly appealable to this Court. MCR 7.203(A)-(B). Rather, MCL 791.2555 allows for appeals of certain decisions of Department of Corrections hearing officers to an indicated circuit court within a 60-day deadline.

The motion for injunction and temporary restraining order, the motion for evidentiary hearing, and the motion captioned as a motion for dismissal are **DENIED** as moot.
